Aman Sahota will facilitate the community meeting and report his findings. He is founder of Ei Amplified that uses Artificial Intelligence to help non-profits and others learn more from their communities. Aman also sits on EMC's Steering Committee and is part of the community roundtable of the Peel District School Board. Ei Amplified was named 2021 Canadian EdTech Startup of the Year.

About Erin Mills Connects (EMC)

EMC was founded in 2016 by community members interested in building resources to assist children and youth. Today it promotes mental health, and creates learning opportunities for greater awareness of psychological well-being.
