

PINE RIVER INSTITUTE'S
CENTRE FOR FAMILY INITIATIVES IS PARTNERED WITH
ERIN MILLS CONNECTS TO PRESENT:

ONLINE RELATIONSHIPS AND CRUCIAL CONVERSATIONS

FREE ONLINE WORKSHOPS

As more young people form meaningful connections online, many parents feel understandably anxious. These sessions explore how to have open, effective conversations with your child about their online relationships, even when they appear to be the digital experts.

Join us for two workshops on how we can manage screens, digital awareness and safety by scanning the QR codes below. Each webinar will include an interactive Q&A session, giving participants the opportunity to ask questions to the presenter. Please note that both webinars will be the same topic so register for the event you can attend.
